1. AUTHORITY

On April 10, 2017, the Council of the Town of Tillsonburg adopted By-law Number 4091 authorizing the use of an alternative voting method, that being the Telephone/Internet Voting method.

The Municipal Elections Act, more specifically Subsection 42(3), states as follows:

Procedures and forms

- (3) The Clerk shall,
 - (a) establish procedures and forms for the use of,
 - (i) any voting and vote-counting equipment authorized by by-law, and
 - (ii) any alternative voting method authorized by by-law; and
 - (b) provide a copy of the procedures and forms to each candidate when his or her nomination is filed. 2009, c. 33, Sched. 21, s. 8 (22); 2016, c. 15, s. 31 (3).

Subsection 42(4), states that the Clerk shall provide the procedures and forms on or before December 31 in the year before the year of the election.

Subsection 42(4), states that the procedures and forms established by the Clerk, if they are consistent with the principles of the Act, prevail over anything in the Act and the regulations made under it.

In addition, the Council of The Town of Tillsonburg at their meeting of September 25, 2017, has authorized the Mayor and Clerk to enter into an agreement with Intelivote Systems Inc. for Telephone/Internet Voting service for the 2018 Municipal & School Board Elections.

Subsection 11(2) of the Municipal Elections Act states that the Clerk of a local municipality has responsibility for conducting elections within that municipality and responsibility for,

- a) preparing for the election;
- b) preparing for and conducting a recount in the election;
- c) maintaining peace and order in connection with the election; and
- d) in a regular election, preparing and submitting the report described in subsection 12.1 (2). 1996, c. 32, Sched., s. 11 (2); 2009, c. 33, Sched. 21, s. 8 (7).

With respect to the duties and authority of a municipal Clerk, the Municipal Elections Act further states as follows:

- 12(1) A Clerk who is responsible for conducting an election may provide for any matter or procedure that,
- (a) is not otherwise provided for in an Act or regulation; and
 - (b) in the Clerk's opinion, is necessary or desirable for conducting the election.
- 12(2) The power conferred by subsection (1) includes power to establish forms, including forms of oaths and statutory declarations, and power to require their use.
- 12(3) The power conferred by subsection (1) includes power to require a person, as a condition of doing anything or having an election official do anything under this Act, to furnish proof that is satisfactory to the election official of the person's identity or qualifications, including citizenship or residency, or of any other matter.
- 13(1) Any notice or other information that this Act requires the Clerk to give shall be given in a form and manner and at a time that the Clerk considers adequate to give reasonable notice or to convey the information, as the case may be.
- 13(2) The Clerk shall provide electors, candidates and persons who are eligible to be electors with information to enable them to exercise their rights under this Act.

Subsection 42(5) states that when a by-law authorizing the use of an alternative voting method is in effect, Sections 43 (advance votes) and 44 (voting proxies) apply only if the by-law so specifies. Since one of the purposes for the use of the alternative voting – being Telephone/Internet Voting – was to eliminate proxies, and By-law Number 4091 of The Town of Tillsonburg is silent on these issues, voting proxies are not applicable. With respect to proxies, a person cannot give his or her Voter Information Letter to another eligible elector or other individual for the purpose of voting. Acceptance of another person's Voter Information Letter including the actual voting thereof will be considered an illegal and corrupt practice and therefore subject to the penalty provision under the Municipal Elections Act.

The Municipal Elections Act, more specifically Section 53, also provides that the Clerk may declare an emergency if he or she is of the opinion that circumstances have arisen that are likely to prevent the election being conducted in accordance with this Act and provides the authority to the Clerk to make arrangements for the proper conduct of the election. Any arrangements made by the Clerk, if they are consistent with the principles of the Municipal Elections Act, prevail over anything in the Act and the regulations and all such arrangements, if made in good faith, shall not be reviewed or set aside on account of unreasonableness or supposed unreasonableness.

Therefore, as Clerk of The Town of Tillsonburg and Returning Officer for the 2018 Municipal & School Board Elections, I do hereby certify and approve the following procedures for conducting the 2018 Municipal & School Board Elections and also establish that the attached forms are the forms permitted to be used during this election process.
