## Work in Tillsonburg Job Marketing Campaign

The Town of Tillsonburg, in partnership with the local Employment Ontario service delivery agency, The Multi-Service Centre, has launched a Job Marketing Campaign to raise awareness of all the local jobs available to the many new residents that have moved or are moving to our community.

The campaign consists of ongoing social media posts to the town's accounts which are also promoted to targeted areas in the surrounding region. The campaign is supported by a "Work in Tillsonburg" website:
